Details

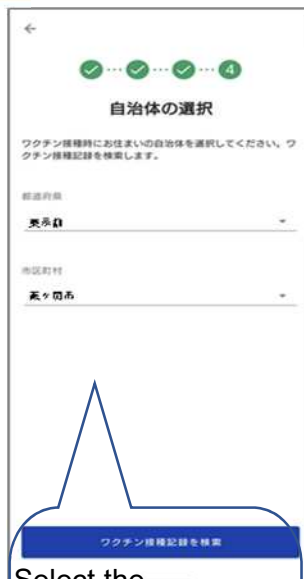

Select either domestic or international, according to your purpose of use.

Insert the 4-digit security PIN that you set up when you first picked up your Individual Number Card.  
If you put in the wrong number 3 times, your account will be locked so please be careful.

Place your Individual Number Card to fit against your smartphone for reading the information.  
Depending on your smartphone, the location where you need to place your Individual Number Card may differ.

Select the municipality where your resident register was at the time of vaccination.  
If your address changed between your 1<sup>st</sup> and 2<sup>nd</sup> doses, each municipality will issue each certificate

Please check if all the content is correct.  
If the information is not correct, please inquire to the Vaccination Call Center (0120-622-999).

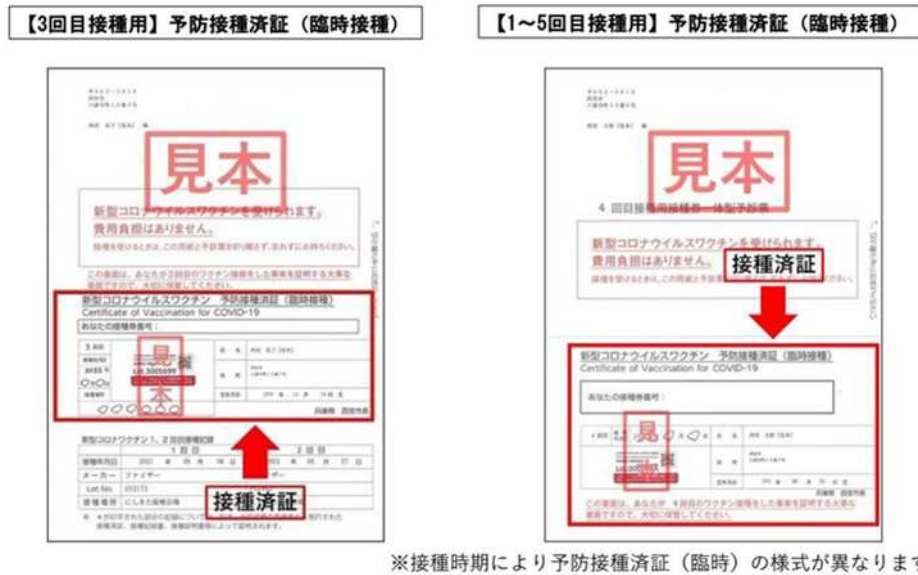

Once your certificate is issued, it is possible to open this app to display it anytime you need.
